

**Message from the Chief Editor****Dear Academicians, Researchers, and Readers,**

Welcome to the *July-Sept 2026* issue of MITARTH: International Journal of Multidisciplinary Research.

It gives me immense pleasure to present this dynamic platform dedicated to the advancement of knowledge, innovation, and scholarly dialogue. At MITARTH, our foundational motto is *"Toward Excellence."* We strongly believe that interdisciplinary research is the key to bridging the gap between traditional wisdom and modern scientific inquiry.

In this era of rapid global transformation, academic research must not remain confined to silos. Our journal strives to bring together brilliant minds from Languages, Social Sciences, Humanities, Science, Law, and Management to share their groundbreaking findings with the global community.

We are deeply committed to maintaining the highest standards of publication ethics. Through our rigorous Double-Blind Peer Review process, we ensure that every published manuscript reflects originality, methodological rigor, and true academic merit.

I extend my heartfelt gratitude to our esteemed Editorial and Advisory Board, our dedicated reviewers, and the contributing authors who make this journal a beacon of quality research. We invite scholars from around the world to continue sharing their valuable research with us in our upcoming issues.

Let us continue this journey Toward Excellence together.

Warm Regards,

Dr. Mukeshkumar G. Chauhan
